Effective Management of Creativity & Innovation

Theories and Best Practices from the Fields of Psychology, Education, Business, and Engineering

14 – 27 July, 2013, Germany

Erasmus IP Summer School 2013

Venue: Treuchtlingen, Germany

Time: 14-27 July, 2013

 Apply online due **30.04.2013!**

❁ Aims of the EMCI Summer School

The EMCI Erasmus IP Summer School was designed to provide students with a range of courses covering issues related to the effective management of creativity and innovation. It seeks to

- develop scientific understanding of creativity and innovation among students;
- foster their managerial and leadership skills for the better management of creativity & innovation;
- promote cultural sensitivity to the management of creativity and innovation.

❁ Special about the EMCI

EMCI is an *interdisciplinary* learning initiative which draws expertise from the disciplines of

- Psychology
- Education
- Business
- Engineering
- Management
- Law

❁ Universities

EMCI is an *international* learning initiative which is co-offered by the following European universities:

- The University of Applied Management [UAM], Germany
- Georg Simon-Ohm University of Nuremberg [OHM], Germany
- Lund University [LU], Sweden
- University of Cadiz [UCA], Spain
- Riga Teacher Training and Education Management [RPIVA], Latvia

❁ Unique Learning Experience

EMCI integrates different on-site learning activities including seminars, workshops, fieldtrips, extracurricular activities, and various social-cultural events.

Online learning platform is embedded to extend the classroom learning experience to a broader sphere. Here the participants have access to basic literature before the seminars get started and have the space to share their learning notes and reflections during and after the summer school.

❁ Certificate

Students who successfully complete required assignments will be awarded an "EMCI Summer School Certificate" signed by all participating universities.

Students who decide to join the international Master's program Creativity & Innovation after the summer school will get 4 ECTS points acknowledged by this Master's program.

❁ Costs

- Registration fee: **None!**
- Participation fee: Free for selected students.
- Food & accommodation: Project funding will cover most of the costs.
- Travel costs: Project funding will cover 90% of the travel costs.
